POSITION DESCRIPTION: The Health Education Consultant I is the training and first working level. Under close supervision, as a trainee, incumbents will be given training to develop and strengthen skills in interpretation, application, consultation, and program planning in health education and will gain experience necessary to effectively perform at the first working level. Incumbents perform the more routine assignments and may assist in developing, monitoring, and evaluating established or new health education programs, projects or policies.

Under supervision, at the first working level, incumbents provide the less complex planning, consulting, monitoring, and evaluating functions of health education policies, programs, or projects of average difficulty, relating to a specific public health program; assist with the more complex health education policies, programs, or projects, in the identification of objectives and development and evaluation of program planning; participate in contract negotiations, selection of pretesting methods and target groups; monitor program progress and contract compliance; participate in developing, coordinating, and conducting training programs; coordinate inventory of educational resources and materials.

POSITION DESCRIPTION: The Health Education Consultant II is the full journey level. Under direction, in an assigned geographic area or special subject matter area, independently provides complex health education consultation to public and private agencies; plans, develops, organizes, monitors, and evaluates health education programs and projects; negotiates and recommends approval of contracts; develops, coordinates, and conducts training programs; may also serve in a lead capacity to education consultants and other health-related multidisciplinary staff; develops and evaluates program standards, policies, and procedures of average difficulty; and does other related work.

Positions may exist with the California Department of Public Health statewide.

REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION: It is your responsibility to make sure you meet the education and/or experience requirements stated on this announcement on the date you submit your application. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required.

NOTE: Applications **must** include "to" and "from" dates (month/day/year), time base, job titles and/or civil service class title(s), and range (if applicable) for all work experience. College course Information **must** include title, number of semester or quarter units, name of institution, completion dates, and degree. **Applications received without this information will be rejected. Applicants must submit a copy of official transcripts along with the application when using education to meet the entrance requirements for this examination.**

MINIMUM QUALIFICATIONS: HEALTH EDUCATION CONSULTANT I

Possession of a master's degree with specialization in public or community health education awarded on completion of a program of study accredited by the Council on Education for Public Health sanctioned by the American Public Health Association.

MINIMUM QUALIFICATIONS: HEALTH EDUCATION CONSULTANT II

Qualifying experience may be combined on a proportionate basis if the following requirements include more than one pattern and are distinguished as Either I, or II, or III, etc.

Either I

One year of experience performing the duties of a Health Education Consultant I, Range B, in California state service. (Applicants qualifying under Pattern I of the minimum qualifications must show their appointment date to Range B on the application.)

Or II

EXPERIENCE: Two years of post master's experience in planning, directing, and conducting public health education programs. (Experience gained in California state service applied toward this pattern must include one year performing duties comparable to the Health Education Consultant I, Range B.)

AND

EDUCATION: Possession of a master's degree with specialization in public or community health education awarded on completion of a program of study accredited by the Council on Education for Public Health sanctioned by the American Public Health Association.

DESIRABLE QUALIFICATIONS: Willingness to travel throughout the State, work irregular hours, and possession of a valid driver's license.

GENERAL QUALIFICATIONS: In addition to the scope defined on this announcement, candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required.

EXAMINATION INFORMATION: The examination consists of Training and Experience Questionnaire weighted 100%. The Training and Experience Questionnaire has been designed to elicit specific information regarding each candidate's education and experience relative to the testing classification. Responses to the questionnaire will be assessed based on pre-determined rating criteria. In appraising the relative qualifications of candidates, consideration will be given to the extent and type of pertinent experience and education over and above what is minimally required.

The California Department of Public Health reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

ELIGIBLE LIST INFORMATION: Names of successful competitors are merged into a departmental open list established for use by the Department of Public Health in order of final scores regardless of testing date. Eligibility expires **12** months after it is established unless the needs of the service and conditions of the list warrant a change in this period. All candidates meeting the requirements for admittance to the exam will be placed on the eligible list.

Eligible Lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) service-wide promotional, 5) departmental open, and 6) open. When there are two lists of the same kind, the older must be used first.

VETERANS' PREFERENCE: Will be awarded in this examination, pursuant to Government Code Section 18973.1, effective January 1, 2014, as follows: 1) Any veteran, widow or widower of a veteran, or spouse of a 100 percent disabled veteran, who achieves a passing score in an entrance examination, shall be ranked in the top rank of the resulting eligibility list. Any veteran who has been dishonorably discharged or released is not eligible for veterans' preference; 2) An entrance examination is defined, under the law, as any open competitive examination; 3) Veterans' Preference is not granted once a person achieves permanent civil service status.
